Healthy & Safe Life

Physically & mentally healthy life, satisfaction through saving lives

Programs for 2024 – 2025

Introduction:

St John Ambulance Sri Lanka providing services since 1906 in Sri Lanka & St John International organization is existing for more than 900 years & accepted by more than 40 countries in the world.

Our main fields

At the beginning St John activities were mainly involved with providing care for sick people voluntarily & later expanded services in various fields including **First aid** training ,medical services & educating & motivating employees on **healthy mind & healthy life styles**.

Accreditation

We always follow UK based First aid manual as a primary guideline & our National Training Unit will make sure that standards being maintained by our Training officers. The International teams especially from UK visit Sri Lanka on a regular basis to update our training programs & they help us to build up other areas of our organization as well.
